AWARDS

The Best Graduating Student

- 2024 | Welup Digital Academy

PROFILE

I am a Passionate & Results-oriented Data Analyst and extracting actionable insights from complex datasets is what I do. I am skilled in using SQL to store and retrieved data, Excel & Power Query for Data Cleaning, Power BI & Tableau to analyze data, identify trends, visualize, interpret and inform strategic decisions. I am very passionate about leveraging data to drive company growth and improve efficiency. I am fully equipped to collaborate effectively with others to drive company growth through teamwork, clear communication, and the efficient application of the PACE Strategy.

WORK EXPERIENCE

Uneeq Interns

2024

Data Analyst Intern

- Contributed to cutting-edge data analysis projects, gaining valuable hands-on experience and developing my skills under the mentorship of industry experts.
- Demonstrated exceptional technical proficiency and collaborative abilities during my internship, driving innovative solutions and contributing significantly to team projects.
- Awarded a Certificate of Participation, recognizing my skills, adaptability, and valuable contributions to the internship program.

Welup Digital

Data Analyst

- Contributed to Capstone Projects that honed my data analysis skills and provided in-depth knowledge of industry-standard software. This hands-on experience has equipped me with a strong foundation in the field and broadened my perspective on data-driven decision-making.
- Awarded a Certificate of Completion, recognizing my proficiency in data analysis, my keen interest in the field, and my ongoing commitment to professional development.
- I was honored to receive the 'Best Graduating Data Analytics Student' award in a cohort of over 250 students. Additionally, I was recognized as the top-performing student across all disciplines. This achievement was acknowledged with a virtual award.
